### **Bedford Democratic Committee Announces New Leadership and Endorsements for Town of Bedford Elected Offices**

**Bedford Hills, NY, January 14, 2021:** The Bedford Democratic Committee tonight has elected Mark Dembo as its new Chair following the resignation of MaryAnn Carr, who resigned as she stepped into the role of Bedford Town Supervisor. Additionally, Brett Kimmel was named Secretary for the Committee.

"I have had the awesome privilege of serving as chair of the Bedford Democratic Committee for more than 6 years and look forward to remaining a District Leader, supporting the committee and great candidates that share our values," Carr said.

"I am honored to step into the role as Chair of the Bedford Democratic Committee; we have been able to put together strong slates of candidates that have resonated across the Town, and I look forward to continuing the great work of the Committee in identifying and supporting candidates that support and advocate for Democratic values. We aim to represent the many voices of Democrats in our Town," said Dembo.

The Committee has also endorsed the following candidates for Town Office for the upcoming election cycle:

Town Justice: Jodi Kimmel

Town Board: Stephanie McCaine and Anthony Mamo

Town Clerk: Boo Fumagalli

Of the endorsements, Dembo stated: "We are excited to support these candidates as they seek important roles in our town governance. All of these candidates support the values and goals that are important to our constituents, and our Committee will work hard to help them get elected."

Dembo further stated that "the BDC supports Town Supervisor MaryAnn Carr and Deputy Supervisor Ellen Calves, both of whom are seeking to run for Supervisor in November. As both candidates are active members of the Democratic Committee and elected officials, the Committee felt it appropriate for the broader community to weigh in through the primary process to make a final decision on the candidate to run on the ballot in November."

The Committee also voted to endorse George Latimer for re-election as County Executive. "George has done an incredible job as County Executive in leading

Westchester in the right direction, addressing the needs of its diverse population, and managing through very challenging times for so many. We heartily endorse George as he seeks re-election," said Dembo
